

Summer 2023

Finally, all of you, have unity of mind, sympathy, brotherly love, a tender heart, and a humble mind. 1 Peter 3:8

Dear Supporters,

Serving alongside other volunteers at Hope Christian Services has been a wonderful experience for me, and for friends and family as I share stories of our residents, the services we provide, and the progress being made as the organization continues to expand and grow.

By this time next year, if the Lord wills, we will no longer have residents living in the Bushman building, rather they will all be in group homes or lodges. We continue building new homes to meet that goal and to find better environments for our residents. We have witnessed the positive effects of moving into the community. Our residents have shown new sides of their personalities, flourished, and excelled in new and exciting ways. It is a blessing for HCS to provide these beautiful homes for our residents.

We can't move forward without the support of our members and others in the community, and so I ask you to renew your membership now by going to hopechristian.org/membership and completing the form. You can, of course, renew by sending in a check. The \$35 membership fee will ensure your continued subscription to our newsletter, Outreach, as well as other opportunities to stay informed about our programs and progress. You also can pick up a free plant on September 23rd at our event, Piece of the Fair, at Cedar Hill Christian Reformed Church.

Your membership fee and any gift beyond the \$35 will help us to continue to provide the spiritual development to our residents and employees that sets us apart from many of our fellow agencies serving people with intellectual and developmental disabilities.

Thank you for your faithful giving and support that allows us to serve, to treat our residents and guests with dignity, and to share God's love, knowing we were all made in the image of God and are to be treasured.

Sincerely,

A handwritten signature in black ink that reads "Tim Parker".
